

Program C: Rehabilitation

Program Authorization: R.S. 15:821-840.2 and R.S. 36:401-409

Program Description

The mission of the Rehabilitation Program is to provide an environment that enables behavioral changes by making available to inmates rehabilitation opportunities that will increase their odds of being successful when reintegrated into society.

The goals of the Rehabilitation Program are:

1. Increase the odds of inmates being successful when reintegrated into society by providing literacy, academic and vocational education programs, and religious guidance programs for those who demonstrate motivation for change and the desire to participate.
2. Provide benefits to state and local governments by requiring all able-bodied inmates to participate in work programs and on-the-job training.
3. Provide inmates an opportunity for spiritual growth and constructive ways to interact and use energy by offering religious guidance and recreational programs.

The Rehabilitation Program provides rehabilitation opportunities to offenders through literacy, academic, and vocational programs, religious guidance programs, recreational programs, on-the-job training, and institutional work programs. The Rehabilitation Program comprises approximately 1.5% of the total institution budget for FY 2002-2003.
